BlueView Technologies Appoints Al Rougeau as Sales Manager of 3D Systems

Seattle, WA.-BlueView Technologies, Inc., the leading provider of miniature multibeam sonar solutions, announced the addition of Al Rougeau to its Sales and Marketing team. Al brings 25+ years of experience in the design, sales, and marketing of sonar and other hydro-survey related systems. He is well known as an innovator, is familiar with all aspects of sonar design and application, and is credited with the introduction of many new technologies into the industry. Past affiliations include Odom, FUGRO, and, most recently, RESON.

Al has joined BlueView as Sales Manager of their new 3D MicroBathymetry sonar systems. Located near Lafayette, Louisiana, Al will provide close sales, education, and project support to BlueView's customers in the oil and gas, military, and commercial surveying industries ensuring successful deployment and continued customer satisfaction.

About BlueView Technologies
