### **BlueView Ranked on Inc. 5000 List for 2<sup>nd</sup> Straight Year**

Seattle, Washington, August 20, 2010 – BlueView Technologies, the leader in underwater imaging solutions has earned a position on the 2010 Inc. 5000 list of the fastest-growing private companies for the second straight year. In a letter to BlueView Jane Berentson, Inc. Editor stated "...more than ever, this year's list is a testament to the creativity, resilience, and tenacity of America's top entrepreneurs."

"Our inclusion in Inc. magazine's top 5000 list for the second straight year is very gratifying. It is a result of a great technology, a tremendous team, and strong industry partners. This award helps to validate and further strengthen our commitment to industry leadership through production innovation, ease of use, reliability, and customer support." stated Lee Thompson, BlueView technologies CEO/CTO.

BlueView is the leader in 2D imaging and 3D scanning sonar technology with more than 450 installed systems worldwide. BlueView Technologies' advanced sonar systems are currently deployed on AUVs, ROVs, surface vessels, fixed positions, and portable platforms, and have been adopted by leading manufacturers and service providers to support mission critical operations. BlueView customers enjoy a low cost of ownership with reliable operation, exceptional service, in-person training, extensive online information, and worldwide after-sale support.
