**Seattle, WA.** -- BlueView Technologies, Inc., a leading-edge innovator of 2D and 3D acoustic imaging technology and the foremost provider of miniature, high resolution multibeam imaging sonar solutions, announced the addition of Steve Chapman to its Sales and Marketing team.

Steve brings 30+ years of U.S. domestic direct sales, international direct and indirect sales, channel management, business development and marketing experience to BlueView Technologies at a time when the company is poised for significant growth and international expansion. Steve comes to BlueView Technologies from the high technology electronic test and measurement industry with past affiliations to Fluke Corporation and the Hewlett-Packard Company.

Steve has joined BlueView Technologies as Vice President, Sales and Business Development and will operate from corporate headquarters in Seattle, Washington. Steve will provide leadership to BlueView Technologies' internal sales team, will develop a worldwide network of third party representatives, and will support and ensure the customer satisfaction of BlueView Technologies' customers in the oil and gas, military, and commercial industries.

#### **About BlueView Technologies**
